FYI we will proceed with the Motion as originally written and keep the Item on Wednesday's Council Agenda, Item #13. I consulted our Chief Legislative Analyst's office and the Planning Department is attempting to "wordsmith" the language but the Motion is clearly a Council-initiated General Plan Amendment, so we would like to proceed as is and have the Council act on it on Wed. Thank you, Gerald. We appreciate the revised language and support its introduction. Please note two minor typos (change "initiates" to "initiate" and add "the" after change; see revision below).

The Planning Department has asked us to substitute this language FYI:

FYI Item #13 on Wednesday's Council Agenda is the Cedillo Motion. Our office has been asked to modify the moving clause to more clearly state it is the Council initiating the General Plan Amendment. Council Member Cedillo will not be present in Council at this Wednesday's session. We might ask to continue the item to this Friday's session when CM Cedillo returns and can sponsor any necessary amending language. I'll keep you posted.
